RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

U.S. Patent and Trademark Office

Alexandria, VA 22314

Dear Sir:

In response to the Notification of Missing Requirements dated March 20, 2008 ("Notification"), **it is respectfully submitted that the fees of \$4110 are not required,** for the following reasons:

- A Preliminary Amendment eliminating multiple dependency and cancelling all but 20 claims, including three independent claims, accompanies this response. The additional claim fees of \$3980, as indicated in the Notification, are therefore not required.
- The \$130 surcharge for filing the executed declaration after 30 months from the priority date was previously submitted when the declaration was filed on March 31, 2008, as shown in the attached copy of this previous submission and fee receipt.

Therefore, **no fees are believed to be due.** However, if it is determined that there is a fee, please debit our Deposit Account No. 19-0733, as needed.

It is believed that all Patent and Trademark Office requirements have now been fully met and it is respectfully requested that the above-captioned patent application be forwarded for examination.

Respectfully submitted,
